could have been no more than a B-cup, they were pert and jiggled nicely when she moved. Olivia was easy-going and vivacious, chatting away brightly as we waited for our order. She was standing close to me and her hands kept touching my arm as she talked, which I thought was a good sign on the body language front. The fact is, though, her braless tits bobbling around was just about the only body language I needed.

It turned out that she lived quite close to me, so I chanced my arm and asked her back to mine for a drink. Olivia was up for it and agreed, and made a phone call to her flatmate to tell her she was staying out and might not come back at all that night. Get in! Things were definitely looking up. It's only very rarely that I meet a totally up-front girl like this, and I was going to make the most of the opportunity.

We were only in my flat a few minutes when Olivia began to undress, removing her jeans and flashing her saucy little arse-cheeks in a minute G-string. I followed suit, removing my jeans before cracking open a couple more beers, which we drank from the bottles. Olivia is a strictly no-nonsense bird, and I don't think the word "coy" even features in her vocabulary. She sat on my couch with her legs spread apart, cheekily sucking the sauce off her chips. My balls were so fucking tight I thought I was going to explode in my boxers.

The provocative little bitch laughed as I put my food to one side and stripped off my shirt and shorts.

She looked up at me with a grin and mockingly said that she'd hoped that I would "finally take the hint".

At this point, I grasped her wrist and dragged the naughty minx into the bedroom. She quickly stripped off the rest of her clothes and shoved me back on the bed, straddling my stomach as my hands instinctively reached

for her pert little tits.

They felt great, and I nipped and pinched her hard little nipples, making her coo and giggle with delight. She threw her head back, grinding her mound against my abdomen as she moaned with pleasure at my touch. She was already damp and hot as she began to rock back and forth, grinding her wet cunt against my bare skin, and all I could think of was pushing her over and fucking her. Totally in control of the situation, Olivia got onto her hands and knees, crawling over my body until her pussy was only inches above my face. Kneeling over me, she began caressing her own body, sliding her hands sensuously downward and brushing her fingers through the soft curls of her neatly trimmed pussy. She puled her lips apart, giving me a first class view of her soaking fanny and allowing the scent of her arousal to waft to my nostrils.

I grabbed her arse-cheeks as she began to finger her cunt lips. My tongue darted upwards to taste her juices.

She held herself open for me, so that I had a perfect view of her juices as they trickled down her pussy lips and ran down the inside of her thighs. Raising my head, I ran my tongue up her soft inner thigh, lapping the moisture up as she lowered herself down and gave me access to her hot, soaking hole. My hands tightened on her arse, and, as I thrust my tongue between her pussy lips, Olivia began rubbing her clit. She climaxed with a series of jerks and a gasp, pressing a finger hard against her clit as she came, her orgasm squirting jets of her come into my open mouth. She was so fucking hot that her climax had hardly finished before she was wriggling backwards and repositioning her fanny right over my erection.

Taking my cock in her hands, she rubbed the helmet along her slit, before lowering her pussy right down on me, engulfing my whole shaft in one smooth movement. I almost wrecked things by shooting my load right up her on the spot, but managed to hold her still until the danger passed, and then she began riding up and down on my shaft, her juice-slickened pussy sliding easily on my solid prick as she rose and fell, gaining momentum with each stroke.

Suddenly I felt her pussy muscles tighten like a vice on my throbbing cock as another orgasm began. Her pussy spasmed with each contraction and held my shaft so powerfully

## Dear The Lounge,

My preference has always been for women with generous curves and large tits. However, last week I met this dinky little hottie called Olivia, who not only sucked my cock like a dream, but also gave me the most fabulous fuck of my life.

I was on my way home from the pub when I took a fancy for some chips to help soak up the beer I had downed, and that was when I literally bumped into her. I was dashing into the chippy as she was coming out, and we collided. Her chips and whatever else she had bought fell on the floor, so me being a gent, or at any rate attempting to appear like one, I helped her pick them up, apologising for being such a clumsy bastard.

They were totally ruined, and the least I could do was replace the grub. She tried to argue that it was her fault, too, but I'm fairly persuasive and she gave in without too much of a fight. For a skinny bird she was fairly easy on the eye, and although her knockers

that it felt like she was trying to milk me. With each spasm a spurt of her juices jetted from her pussy, trickling down the length of my shaft and making my tight balls sticky. As her orgasm peaked, I gripped Olivia's hips and steadied her as she ground down, her breath coming in harsh gasps. My own climax was only a few strokes away, and, as her fanny muscles clenched tightly around my cock, my balls tightened and I came hard, filling her with my warm creamy come.

#### **Dear The Lounge,**

I got engaged to my boyfriend recently and to celebrate we decided to take a fortnight's holi-day in the Bahamas. The resort was quite trendy, and after a few days we'd made loads of friends and were having a whale of a time. We'd chosen a couples' resort and most of the people there were in the 18-30 age group, just like me and Andrew. In the first few days we heard a lot of people talking about something called Captain Moran's 'Night Dream Cruise' which was supposed to be some kind of midnight boat trip with a bit of a difference.

We decided to find out more about it and tracked down the Captain at the old harbour for more information. He made no bones about it, and simply explained that he offered mid-night boat trips to young couples who wanted to fuck each other silly in the moonlight after a few glasses of special punch. Well, we booked tickets, but the Captain's little excursions were so popular that he was booked up until only a couple of nights before we were due to go home, so we

contented ourselves by fucking each other silly in our chalet until then.

The boat actually set sail at ten, so there was plenty of time for everyone to get in the mood, and I guess there must have been at least 20 other couples all ready for a bit of 'romance' by moonlight.

There was lots of dancing and plenty of punch, so much in fact that I was feeling very drunk after an hour and a half when suddenly the music changed to the romantic variety and eve-ryone started getting very intimate with their partners.

Me and Andrew weren't quite sure what to expect, but it seemed like virtually all the other couples had done this before.

As the music slowed, the groping and fondling increased, and before long some couples had literally stripped off and were fucking on deck right before our eyes. There's no greater aphrodisiac than seeing another couple having sex, but dozens of them fucking at the same time sends a girl's hormones into overdrive.

We may not have been the first to get stuck in, but we certainly weren't the last, and before long we were snogging like mad and pulling at each other's clothes.

Andrew leant against one of the masts and I dropped to my knees, pulling his shorts down to his ankles. I noticed a couple of guys watching me as I took Andrew's rigid cock into my mouth.

Peeling back his foreskin, I sucked noisily on his swollen prick, enjoying the silky feel of his knob inside my mouth. It was odd doing this

surrounded by so many people, but everyone else was doing the same thing and listening to all the other sighs and moans was a real turn-on.

I lay down on the deck right next to another couple, and Andrew positioned himself be-tween my legs with his stiff dick in his hands. The girl lying next to me was moaning and I sighed, arching my back as Andrew's stiff cock sank into my dripping wet hole. His hands slid underneath me, gripping my buttocks, and he drove his rock hard meat in and out of me as if he was just using my body to wank with. The couple next to us were showing off and the guy was spurting his cum all over his girlfriend's stomach. If we'd been just a bit closer I'm sure some of it would have hit me. What a shame we weren't.

Andrew rolled me over onto my tummy and I got to my knees so that my bottom was up in the air. I felt his thumbs parting my cunt lips and his tongue licking up and down my wet slit. The experience was electric and we made the most of being voyeurs and exhibitionists at the same time. I loved the thought that other couples were getting off on watching Andrew and I fuck, and I started moaning more loudly as our display became ruder and ruder.

I felt Andrew fingering my wet clit and I cried out in ecstasy as his stiff cock pushed inside me. Our bodies moved rhythmically and I saw that the couple next to us were now in the 69 position, sucking and licking

**"D**o you know what really turns me on at the moment?" Tina asks us. Obviously we were engaged straight away and happy to help out in any way that we possibly could! "When my boyfriend is so horny he pulls my tits out of my bra without even bothering to take it off – I don't know why, but recently this has been getting me so hot that, when he's sucking on my nipples, I can't help but slip a hand into my knickers and have a bit of a frig. I always let him finish me off with his rock hard cock! Keeping my knickers on, and pulling them to one side, makes the whole experience even sexier too."

## SOMETIMES ALL A GIRL NEEDS IS A LITTLE HELP FROM A FRIEND TO REALISE HER DARKEST FANTASIES...

I'll let you into a little secret, well, it was a secret once, I guess pretty much all my friends know about my little kink by now – I just love to be licked from behind. My pussy, my arsehole, my thighs, my feet, my toes, whatever, if you're licking them from behind and I'm down on my hands and knees it's guaranteed to make me come and come

hard.

Up until I turned twenty, I had experienced plenty of from behind action but I'd never really let on that it was my biggest turn on – I think I was a little ashamed of it to tell the truth. Then one day, drunk, I confessed to a very sexual friend of mine that my ultimate fantasy was to be up on a pedestal on my hands and knees while a line of men came and tongued every inch of me they could see. Three days later I got a call from Maggie, my horny friend I'd confessed to, and she told

me that she had a little surprise for me, a sexy surprise. After that she said I should be round her place Saturday night at nine and then she hung up. It might sound obvious that Maggie had in mind a queue of hot men waiting to eat me out but she did this sort of thing all the time and I had actually forgotten about my confession so I had no idea what she had in store for me Saturday night, only that it was going to be naughty in some way. It was the middle of the summer and very hot so I was wearing one of my flimsiest summer

dressess and some strappy heels when I showed up at Maggie's place just after nine. "Glad you could make it," said Maggie. "They're all waiting for you," and she opened the door to the front room slightly and we both peeked in at the three guys sitting on the sofa talking. "Fuck, Maggie, what are you up to?" I whispered as she led me into the kitchen. "Remember your little confession the other week about how you'd love to have a queue of men taking it in turns to eat you out from behind? Well I've found you a little queue..." She poured us both a drink and sat down at the kitchen table, and I was just about to freak out at her when she continued, "Before

you go crazy on me, don't worry, those guys don't know why they're here, except that it involves some group sex. As far as they know, they're all here to fuck me and they're just waiting in there for me to come in and get the party started. It's up to you, you've seen the guys, you know you can trust me – it's your fantasy. All I'm doing is giving you the chance to act it out. Say yes and I'll go in there and tell the guys exactly why they're here. Say no and you can leave right now or stay and watch me fuck them all by myself." I was really pissed off with her for doing this without even asking me and just as annoyed with her because I knew I would never have

**“ Behind me, the third mystery man was busy fingering me, fitting all four of his fingers inside my cunt and pressing his thumb into my arsehole.”**

done anything about it myself. I grabbed the bottle of wine off her, poured myself a large one and said, "Oh fuck it, when does the party begin?"

"I knew you'd say yes!" Maggie said, kissing me on the cheek. She explained just what was going to happen. I was to go upstairs to her bedroom and get undressed.

Then I was to put on the mask that she'd left up there for me and climb onto the bed on all fours, ready. "You've got ten minutes and then we'll be up," she said, kissing me passionately on the mouth. I crept upstairs into her room and saw the feather mask on her silk sheets – it was now or never.

One minute later, I was naked, kneeling on the bed, slipping the mask over my face, my pussy tingling. My nerves got the better of me and I got down on all fours with plenty of time to go before the boys came up.

When I finally heard them come in behind me I had worked myself up so much that I was already wet for it and slowly swaying my hips from side to side.

No one said anything. There was some barely audible breathing coming from somewhere behind me and then suddenly there was a hand on my bum, squeezing me roughly, the fingers driving through my pussy lips and splaying me open. It felt like electricity coursing through my body and I began to rock back and forth, grinding myself against this stranger's hand.

Another hand cupped my right buttock and pulled me open as a tongue found its way inside my cunt and was dragged up over my anus and along my crack. I couldn't help but let out a low moan as fingers pushed into my pussy and a tongue probed my arsehole, I was so incredibly turned-on!

"She tastes good," came a voice from between my legs, and then I felt his tongue burst through into my pussy and his nose press against my arsehole. He pushed up against me so much I had to work hard to keep my balance by thrusting myself back against him, trying hard to ride his tongue as if it were a cock.

And then the rough handling stopped and a different style was introduced as my pussy lips were gently pulled on and my clit was

softly squeezed between finger and thumb. Another thumb sank into my cunt, fucking me in circular strokes, pulling out and pressing against my ring. Would any of them actually fuck me, or would they just lick and finger me?

More hands were on me as my buttocks were spanked and I could feel two sets of fingers

**“He pushed up against me so much I had to work hard to keep my balance by thrusting myself back against him, trying hard to ride his tongue as if it were a cock.”**

slide inside my soaking pussy, pulling my hole open – they could fuck me any which way they pleased now, I was so horny for it that I would have done anything they asked. From the corner of my eye I could see a hard, shaved cock waving around and without thinking about it I reached out and pulled it towards me, wanking it hard and then taking it into my mouth, moaning and groaning as I tried to cram as much of it inside.

The cock in my mouth was taken away from me and as I looked up to see it moving further away from me, its owner pulling hard on it, another cock presented itself to me and

I eagerly took this one between my lips. It was fatter than the first but shorter and I was able to take him all the way in while licking at his balls. He pulled out of my mouth and lifted his dick out of the way, offering me his balls to suck on instead.

Behind me, the third mystery man was busy fingering me, fitting all four of his fingers inside my cunt and pressing his thumb into my arsehole. I relaxed and let him into my ring – now I was his juice-soaked glove. The three of them switched places again and my cunt and arse got more of the rough treatment that had started this ball rolling, my buttocks turning red through spanking as the guy's rough chin rubbed up against my clit as his tongue delved deep inside my hole. They switched again and again until I didn't know who was in my mouth and who was in my pussy. I came twice through all their attentions not knowing who or what was inside me at any time, and this was without any of them sticking their cocks in anything other than my mouth.

"Fuck her," I heard Maggie say from somewhere near the door, then suddenly I was guided backwards off the bed, a finger and thumb up my cunt and arse, until I was half standing, bent forwards over the bed. The sweet ecstasy as that finger was replaced by a full-length, solid, thick prick wedged in tight up my snatch. Whoever owned it was fucking me hard and fast, holding my butt cheeks tight and grunting on

each thrust.

"Where do you want him to come?" whispered Maggie in my ear, startling me.

"In me," I panted. No sooner said than done, his cock spat hot spunk deep inside me as he fucked me with abandon.

It wasn't over, by any means, I still had a cock in front of my face and I had been wanking it and sucking it without pause. When the third mysterious man pushed his piece inside me and began to fuck me, the prick in front of my face erupted and shot thick wads of come over my face and shoulders before being plunged back in my mouth. Then Maggie appeared again, in just her underwear, and kissed me fully on the mouth, cupping my face in her hands and licking the come from my cheeks.

"I'll lick his come from inside you," she whispered as my climactic orgasm rocked through me, my cunt being filled with spunk again. True to her word, once I was full of sperm, Maggie came behind me and tongued every drop from my snatch before I dropped face down onto the bed, exhausted. Quietly, Maggie led the boys from the room and I fell asleep in Maggie's bed, waking in the morning to a house empty of strange, horny men.

"Good morning, said Maggie as she walked into the room and climbed into bed beside me. "I hope you enjoyed yourself last night. Now, how about you find out what it feels like to have a woman eat you out?"

**B**oobs or bum? Most women have either got one or the other, but Kylie has got them in abundance! And when she's knocked them out who wouldn't want to drool all over them, lick them and nibble away until the sun sets? Kylie really does have an incredible full collection of killer curves! "You flatter me – carry on, I like it!" It's true, Kylie, you do have some of the finest bends this side of Silverstone! "I do have a good pair of boobs, don't I? But I can't see my bum," she said, peering over her shoulder and wiggling it at us. "Is it really that nice?" Hmmm, yes, it's pretty good...

Abigail

**S**ummer is on the way, the good times are coming, and the sunny weather has brought the delicious Abigail along with it! It's a little known fact that sunshine makes breasts grow larger, up to 20% larger in the hottest climates, which is why you don't see Abigail during the winter months, isn't that right, Abi? "No it isn't! Don't be so silly!" she giggled, waving her hands around and being all girlie. "If you spread rumours like that around, pretty soon people will start believing it and then you'll be sorry, you won't see ANY boobs for six months of the year!" Oh shit, really?

**N**ever let it be said that models are stupid. Take the case of lovely Dani here. Not only is she modelling as a means to pay her way through University, studying to become a doctor, no less, but she's also pretty good at crosswords, she can do a Rubik's cube in under a minute, and Dr Kawashima's Brain Training is an absolute doddle to her. Add to that the fact that she earns in a couple of hours modelling what it takes us chumps in the office to earn in a week, and all of a sudden models don't seem that dippy after all, do they? And that's something we strive for here at Club. Not just great looking chicks, with amazing bodies and filthy minds. We want girls with a little bit of intelligence. Seriously, we're all dumb as fuck, and we need clever people for the pub quiz team...

**T**he trouble with being a horny girl is that the desire to take off all your clothes and strum your hairy harp (even if it isn't hairy) can strike you anywhere – the bedroom, the bathroom, the Ed's very own living room! At least, that's what she claimed when she popped round for a cup of tea. "Honestly, I just get so overwhelmed with lust that I have to take all my clothes off and play with my pussy wherever I am" she said, shedding her kit. "You don't mind, do you?" And with that, she hopped up onto the sofa and began to work up an appetite! It wouldn't have been so bad had the in-laws not been round for a nice Sunday roast!

each other wildly. I chuckled to myself as I mentally congratulated Captain Moran on his enterprise and initiative.

Feeling Andrew's cock driving in and out of me was bringing me closer and closer to my first orgasm, so I reached behind and squeezed his tight balls, knowing that all his cum would soon be inside me. I was taking short rapid breaths as Andrew's hips banged repeatedly against my bottom, and my heart pounded excitedly as I watched a really hunky guy hungrily licking his girlfriend's pussy right in front of me.

Being surrounded by so many people humping felt so debauched, and feeling some sticky goo run down my shoulder showed that it wasn't just Andrew who was enjoying my dirty performance.

Andrew grabbed my hips and sank his cock deep inside me, moaning out loud as his spunk pumped into my sodden hole. A few of our fellow fuckers turned round to watch us cum in the moonlight, and knowing that we had an audience tipped me over the edge and I cried out as a delicious climax exploded through my body.

After we'd both finished cumming, I jumped up and got us a couple of glasses of Captain Moran's magic punch, before I cuddled up with Andrew to watch some other couples finish-ing off. One girl was going at two cocks at once, wanking and sucking, her smiling face and hair slick with spunk from countless other guys.

I bet the locals were always eager to sign up as crewmen on this boat and had juicy stories to tell when they got back to shore.

#### Dear The Lounge,

I've never really thought about nailing an older woman before last weekend. To be honest, older birds have never really appealed to me. However, since meeting Sharon I can see the advantages and intend to fuck her again next weekend.

Anyway, I'd had a lot more to sup last Friday night than usual, and found myself becoming horny as I looked over the talent at our local. There weren't many there that I hadn't been with at some time or another, and, seeing nothing new, I was beginning to curse myself for not joining a gang of my mates who had fucked off to a club in town.

Sighing with resignation, I returned my attention to my mate Rob, who was rattling on about the football, when I spotted Sharon sitting with some others and looking just as bored as I was.

Although she was older, I found myself fantasising about sticking my cock between her big tits and then spunking over her face. Not very gentlemanly thoughts, I know, but then I was feeling very horny, and with very little prospect of pulling that night I reckoned that I'd just have to use my imagination and wank.

I must have been staring at Sharon, because she caught my eye and smiled, and without

re-ally thinking I smiled back and even winked at her. This cheeky laddish behaviour seemed to appeal to her, because she gave me a little wink back. Most surprising of all was that, just as I was trying to think of a way to approach her, she got up and came over. I offered to buy her a drink, and things got a lot less complicated from there on.

Rob, not needing much of a hint to see where the land lay, fucked off home to his missus, and, not long afterwards, Sharon and I headed back to her place.

Once inside we went di-rectly to the bedroom, where she began to undress me, unfastening the buttons on my shirt and even playing with my nipples. Pulses of pleasure were rippling through my body, my stiff cock was throbbing in my pants and my balls ached. Struggling to hold off and not spunk off in my shorts, I tried to concentrate on satisfying this amazing woman. No matter that she was 30-something, she was a stunner, and I swiftly re-moved her blouse and bra. Her breasts were really big and firm and even more appealing than I'd imagined them, and, as I started to suck on her hard nipples her body writhed with pleasure and she pressed it against my throbbing erection. She was fucking smouldering hot, and we ended up naked on the bed with me exploring her with my tongue as she stroked and caressed my body. Dipping my tongue into her wet slit, I pushed it between her pussy lips and lapped at her juices. Holding her fanny apart, I pushed my tongue in as far as possible and tongue-fucked her.

Eventually, I replaced my tongue with my fingers and frigged her until she came so hard that she was squirting her juices on my palms.

Then she took my hand and did one of the most erotic things I have ever seen, licking her own juices off before sweetly sucking on each of my fingers until my hand was clean. I was gobsmacked.

Then, when I lay back, she began to give me a hand job. Spreading my legs, she knelt between them and gently played with my balls. Her touch was so stimulating, and my cock hardened as pre-come seeped from my bell-end. It was a slice of pure Heaven.

Sharon held my cock by the base with her left hand, and, with the index finger of her right, she circled my purple helmet. The sensation was amazing, and, although my ball-bag ached for release, I was determined to make the most of every moment. Her hands were fucking magic, and I watched with growing pleasure as she gently teased the head of my cock with her fingertip.

Moving down, she took my dick between her lips, and, sucking it inside her mouth, she bobbed her head on my throbbing shaft. I was just beginning to feel my balls tighten when she stopped, and, removing my cock from her mouth whispered: "Not yet." Confused and frustrated at being so close, I protested, calling her a prick tease, but she just smirked, put a finger to her lips, and, straddling me, mounted my cock.

With her tight pussy gripping my shaft she

rode me, bouncing up and down on me as her large tits wobbled with her movements. I watched the show, enjoying seeing her do all of the work and enjoying the pleasant change from the younger birds I usually dated. Confi-dently, she fucked me, and I could see that she really got off on taking the lead. She was as willing to give pleasure as take it, which was completely fine with me! My balls ached and tingled as I prepared to come, and I rolled her over onto her back, and, holding her down, drove my cock into her pussy.

She cried out with excitement as I began to fuck her with all my might, pounding her tight slit until her back arched and her body shuddered as she came, her cunt muscles gripping my cock tightly. Then I began thrusting my cock even deeper into her pussy, my balls slam-ming against her. Her pussy was still contracting when I pulled out and sprayed my junk all over her tummy, watching her writhe with pleasure as I unloaded.

**T**here's nothing quite like starting the day looking at a flawless babe like Beth as the morning sun streams through the windows! There was a fresh pot of coffee and some croissants too, the drop of whisky helped the night before a bit more bearable too! "I am definitely a morning kind of girl. I wake up skin to skin with a guy and immediately I begin to feel myself getting moist between the legs," she told us. "Then I like to roll over so he's behind me and rub my bottom up against his cock. Sometimes he's so fast asleep that he's not got a hard on, which soon changes when my bum's up against it!"

*The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...*

**A**shley isn't obviously dirty to look at – she's just a skinny rock bird on the pretty side of average. But she's easily the filthiest, kinkiest girl I've ever known. She likes to fuck other guys in front of me, and I like to watch. It started the night she showed up at my place after midnight, stripping naked and getting into my bed.

Next she jacked my knob long and slow, telling me how she'd come on to some guy in a bar and given him a stand-up fuck in the car park. Then she'd just walked off with her pussy swimming in spunk, leaving him to pull his trousers up.

This had happened just over a half-hour ago. I kissed her, dragged her onto my boner, slammed it in, then gave it to her cunt as hard as I could. And thinking of her as sloppy seconds, how she'd just spread for some stranger's big dick, got me jazzing even harder in her tenderised cunt.

Things have now progressed from her telling me her fuck-tales, to bringing blokes home. Sometimes I watch, wank off or join in, it's her call. I also drive her around, cruising for cock. She sees a man she likes the look of, we stop and if he wants it, she fucks him in the back seat. It sounds like risky business, but she isn't into dangerous guys. She likes to corrupt the clean cut, turn them on to the sleazy side!

The other night I drove her around the student part of town, where she saw these two rugby player types, one blonde, the other dark. I stopped, and she asked them did they want to fuck her.

Either they were very trusting, too stupid to be suspicious, or more likely thinking with their dicks. Ashley was wearing a miniskirt, black knee-socks and no knickers, and she gave them a flash of fanny.

We found a dark street, parked the car, and then the fun began. She sat between them, jerking a hard-on in each hand, pumping them stiff. Then she asked who wanted to fuck her. The blonde stepped up and she laid back, splaying her thighs. She stroked her pussy, wet his dick a little with her fingers, then pulled him inside of her, moaning with arousal as he plunged in.

His mate wasn't left out as she wanked him over her face, then took him in her mouth. A fuck show always does it for me, but it's when I'm watching Ashley suck cock that it really hits hard. I know how it feels to have those

lips and that tongue working over my dick, so just the sound of her sucking away can set my prick throbbing, vein deep.

One thing she loves about sporty types is when they get real competitive. Even if they're best friends, they still want to be the guy who fucks her harder and lasts longest. The dark guy began to play with her tits. They're small and flatten to almost nothing when she lies back, but have really hard nipples no guy can resist sucking or fondling. She was letting out little muffled whimpers, making the blonde think maybe it was time he gave her swollen clit some attention too.

Now she went crazy, bucking on the back seat, angling her cunt onto one cock as the other crammed deep down her throat.

**“I aimed his cum at my own boobs, loving the sensation of the hot shower on my bare skin.”**

I could see the blonde strain, grit his teeth, then groan as his mate's load shot in her mouth, overflowing to dribble off of her lips. The blonde finally let loose and she asked right at the last moment if he'd cum all over her. He knelt up, pulling her arse up too, and spunked over her snatch and mound, so it ran down over her belly to her tits.

The guys didn't stick around for a ride home, so Ashley and I performed our usual dialogue – her begging for my dick, me telling her she could wait.

Sometimes we drive around for some other bloke to fuck her, but not this night. I got my dick out, gave her twat a little teasing poke. Then I pulled it out again and bet she couldn't

keep her hands off of herself all the way home.

I knew she'd win that bet, but I won too – she was so frantic for a fucking by the time she got home, she pounced on me. And the first feel of her hot cunt snapping tight around my throbbing cock was almost as good as when I came in her mouth...

**I**'m in my third year of University now, but in my second year I had the option of spending a term over at an American college. I jumped at the chance. I'm not the shy and retiring type, so I threw myself into a hectic social life over there. Being a perky blonde with big natural tits I thought it a great idea to pledge to the hottest sorority chapter on campus, I'll call it The Omega Pies. It also helps that I'm a raging lesbian whose penchant for pussy runs faster than a hunting cheetah.

The Pies were known for their wildly sexual initiations and that just made me want to join them that much more. The other British students thought I was bringing

initiation for that evening. I was told to come fully dressed in my college uniform and to bring any surprise of my choosing.

I rushed back to my dorm room, shaved my smoo bare and slathered on some coconut lotion. I also fixed my favourite strap-on cock, Big Bertha, around my waist as my party surprise.

When I walked into the sorority house, the entire place was lit with candles.

There were about fifty naked girls, both Pies and civilians, lining the walls with their legs spread open. Instantly, my pussy was dripping wet with the thrill of whom I'd suck out first. Sarah grabbed me by the shoulders and shoved me up against a wall. The initiation had begun! She started to lick my face, my neck, my cleavage, my legs and everywhere in between. When she felt the hard cock between my legs she pulled up my skirt.

"Surprise!" I grinned, pushing her onto her knees and guiding her mouth down onto my cock. As one of my hands was busy pulling Sarah's mouth to and from my plastic penis, my other hand was actively fingering this sexy brunette beside me. She was dripping wet and riding my fingers like a fucking champ!

Soon all of the girls in the room were

down our reputation, but I didn't care.

After one look at me, ample squeezing of my boobs and a finger shoved up my twat to determine my tightness, Sarah, the head Pie, set my formal

practically stampeding to get a piece of me. I had one girl ripping off my shirt while another was tearing my white cotton bra apart with her teeth just to get a few licks of my nipples. By this time I had a revolving line of horny sorts eager and ready to suck my fake prick and lick my bum. As I fucked each mouth with gusto I felt my cock being unlatched from my waist. Now another girl, a curvy redhead, was donning my cock and buckling me in half to fuck me in my tightest place!

So, there I was on the ground with some Asian girl underneath me licking my snatch, while the redhead porked my pucker from behind. But still it wasn't enough. The next sensation I felt was of another dildo being pried between my cunt lips, and a wet tongue slathering around my mouth. Every hole was being plugged, probed and penetrated, and I fucking loved it.

When I came up for air I spun around in reverse cowgirl to get a deeper connection to Big Bertha. I grabbed my tits and bounced up and down, securing a blonde head around each of my boobs.

My bum and cunt were oozing with juice, completely drenching the redhead's lap.

Not a single drop was wasted, however, as there were hungry mouths open and waiting to get a taste of my pussy froth.

I looked around and saw girls fucking each other in every corner. There was a pair making mincemeat of each other's minge in scissors while another girl was being held in place as the naughty students brought her to multiple orgasms with the help of a corded clit vibrator.

After my arse came for what seemed like the hundredth time, I grabbed Sarah and buried my face in her muff in doggie.

I penetrated deep with my tongue, wedging my nose up into her bum hole to give her pucker a little sniff. She smelt fucking delicious, getting three fingers wedged up inside as a reward.

The action raged on until my body was drenched with pussy cream and sweat. I ended my initiation in a twenty-girl doggie train that had every mouth stuck to an eager hole in front. "Welcome to the Pies," Sarah said, wiping her face clean of juice. I unlatched from the train, grabbed a dildo out of a girl's snatch and shoved it into Sarah's mouth.

"Enough talking, and suck my cock!" I told her.

Isn't it about time we started having sororities at University back here?

**W**hat Lucy wants she gets, and it was me she wanted. I'd fucked her friend Dave pretty much in half the first night I met him, so he thought I could handle the action at one of her sex parties. The dress code was latex, leather or lingerie, aside from the 'newbies go naked' rule. That's why I was strutting around in just my heels and make-up, and Lucy soon decided it was time for my initiation.

She undid her fly-crotch pants – cut too tight so that her shaved cunt seemed to swell its way out the slit. It looked so pink and wet, framed by the black latex, so I dropped down to my knees and got licking. I lapped over every inch then dove my tongue in, with Lucy's fingers stretching her outer lips wide open for even more depth. Soon she was clinging on to my head as she ground herself against my mouth.

In behind me, someone was playing with my cunt, teasing it so softly I barely felt it. Then a finger probed my hole, to see if it felt as fuckable as it looked. I thought maybe it was Dave, then I remembered him going off for some fun of his own with some other girl. But I was open to any cock, so I gave the finger a squeeze.

Within seconds he – whomever it was – was rutting in deep. I never saw him, just felt the size of the cock ramming my snatch. His fingers found my clit expertly.

I came, Lucy moaning as my lips tugged

on her bud, and then the bloke pulled out, wanked himself against my arse and then blasted a load all over my cheeks. Almost immediately, I felt tongues lick me clean. But I couldn't stop to savour it, as I didn't want to lose my focus on Lucy. My tongue wasn't quite enough for her now, so I slid two fingers inside of her, following her moans to find her G-spot. Things got pretty wet as she came, soaking my hand and my tongue as I drank the last few bursts of juice from her hole.

Next, one of the new guests stepped up. Lucy straddled him and rode him for a few moments, to get his prick hard and sauced up with her juices for me to suck on. She stayed atop him, rubbing her clit as he played with her tits, her snatch right in my face as I sucked her cum off of his prick.

Now there was just one mouth in behind me, harder to ignore as it tongued my arsehole, wetting it with saliva. I just let it fuel my sucking on the new man's cock, taking him in deep, then pulling back to tease his helmet. I felt something touch up against my arsehole and just assumed it was another cock. Then I heard a female moan as it pushed in and, though I tried to fight it, curiosity got the better of me. I spit out the dick, stroking it to keep it hard, and glanced behind me at a redhead fucking me with a strap-on.

She was wearing kind of a leather corset, one that shoved her tits up and out but left

them naked, and they bounced together with every thrust. She was totally lost in the moment, then saw me looking, winked at me and started fucking in and out even harder. The guy I was sucking was going crazy now, and it didn't take much more to get him coming. I aimed his cum at my own boobs, loving the sensation of the hot shower on my bare skin.

Word spread to Dave of what I was doing, and he was there to watch as I came time and again. And the brunette was there to wank him off, so I got another ball soup bath as I orgasmed again. I passed my initiation with flying colours, earning my right to dress in fetish clothes if I want to. But most times I go to the parties naked – I get more action that way! Most guests want to fuck the newbie, give the little slut a taste of how hardcore the action's going to get. And even if they know I'm no beginner, they still play along with my game!

**S**he calls her boobs 'Mamma' and 'Mia' and refers to her bountiful bum as her 'Budunkadunk', but don't think for a minute that Sunny Lane has got a screw loose. Indeed, the curvaceous cutie from Arizona is known as one of the most switched on girls in the adult industry, and has scooped countless awards and accolades from fans and insiders alike. The most recent addition to her burgeoning collection came when she bagged the prestigious 'Booble Girl of the Year' gong – no prizes for guessing which particular asset, or assets, that one was for – and, just so her legendary bottom didn't feel left out, Sunny's stunning rear took the award for Best Anal Scene at the AVNs. Apart from her world-renowned tits, arse and appetite for hardcore sex, Sunny is also famous for the fact she's actively encouraged by her parents, which some might find slightly strange considering the nature of her work. But hey, it takes all sorts, right? And if their enthusiastic guidance means we get to see much more of Sunny's incredible, curvy body and filthy onscreen antics then more power to their elbow, we say.  
.....

**I**n a luxury apartment with a beautiful sea view, Carly is all smiles as she strips off. Why this beautifully curvy brunette politely declined the offer to come to our London offices to be snapped in front of a filing cabinet is anyone's guess. Perhaps the Ed. forgot to tell her that there's a Tesco within easy walking distance for the provision of gourmet sandwiches and snacks. And really, who needs a gorgeous balcony area, clear blue skies and the sound of the ocean when you've got all the trappings of a 70s office block, featuring off-white panelled ceilings, colourful, flecked carpeting, and the low rumble of the air-conditioning mingling with the tip-tapping of keyboards. Yes, Carly might be gorgeous and very, very sexy, but for her to turn our invitation down does show signs of the onset of lunacy.

# LUCY

FROM: CLUB 35/04

**B**eing almost perfect herself, it's no wonder Lucy seeks perfection when it comes to the opposite sex.

As you would expect she doesn't go short when it comes to men offering to take her out, to marry her or, more crudely, to slip one up her bum. But just how many of those incoming offers does she actually take up?

"I've lost count of the amount of men who have made me offers, but I've not lost count of those I've accepted, for the simple fact there's only been one man I didn't turn down. He had everything a girl like me could wish for – good looks, a great physique, a charismatic personality and lots of money!"

So what happened?

"I'm afraid to say that what he possessed in physical and financial attributes he lacked in sexual prowess. He only wanted to fuck me in one position – him on top – and when we did do it there was hardly any foreplay and it only lasted a few minutes, so needless to say, he didn't last long."

That's very interesting, Lucy. Now our next question is how low would you be prepared to drop your standards if you were promised a guy who's a bit more daring in the bedroom?

"Why, do you know someone like that?"

Erm, might do...

**N**ow that we've got the internet, you could be forgiven for thinking that every fetish and fantasy is wild and out there. But some classics don't die. Rahyndee (pronounced Randy, obvs) has a simple one – she wants to play secretary. She wants to answer your calls, book your meetings, take some dictation. And then she wants to bend over the desk, suck on a pencil and have you lift up her tight dress and bang her over aforementioned desk. Of course, her fantasy is pretty much the same as ours as well. Perfect...

Sporting records are meant to be broken, but some are unreal...

# DOWN THE WIRE

## THE FOUR-MINUTE MILE (1954)

No milestone in middle-distance running has ever been so revered as the moment when British runner Roger Bannister became the first athlete to break the magical four-minute mile mark. Despite only being able to train for just 45 minutes each day due to being a full-time medical student, history was made on 6th May 1954

when he ran the mile in 3 minutes 59.4 seconds. The record now stands at 3:43.13 — which was set by Hicham El Guerrouj in Rome in 1999.

## 400 METRE GLORY (1992)

After a highly promising yet injury plagued career, Britain's Derek Redmond finally had a chance of 400m glory when he went into the 1992 Games in Barcelona in excellent form. Despite an impressive win in the quarter-finals, tragedy struck in the semis when Redmond's hamstring snapped halfway through the race. In one of the most touching moments in the history of the Games, Derek's father ran onto the track and helped his son slowly battle his way to the finish, where he was met with a standing ovation from the 65,000 strong crowd.

a final score of 6-4, 3-6, 6-7(7-9), 7-6(7-3), 70-68 and a total playing time of 11 hours 5 minutes. Both players had squandered match points until Isner was the one that eventually brought home the win after three days of gruelling tennis.

## 147 BREAK (1997)

Snooker might not be the most popular sport, but Ronnie O'Sullivan deserves a mention as one of the most naturally gifted players of that particular sport. Some people argue the 147 is in fact the most difficult in-game sporting achievement of all time, and in the first round of the 1997 World Championship, Ronnie 'The Rocket' O'Sullivan managed it in just five minutes and eight seconds. Unsurprisingly, he also holds the record for all of the top five fastest times as well.

## LIVERPOOL'S COMEBACK (2005)

For undeniable football theatre, no European final has ever come close to matching the 2005 Champions League final in Istanbul. 3-0 up at half-time, Italian giants AC Milan were singing in the dressing room expecting victory. However, Liverpool captain Steven Gerrard had other plans. Urged forward by their captain, Liverpool hit back with three goals in six minutes to level matters, and finally won the match in a nail-biting penalty shoot-out. Quite simply one of the greatest comebacks there has ever been in a final.

## JESSE OWEN'S GOLDS (1936)

The Nazis had carefully choreographed the 1936 Games to support their ideology of an Aryan race, but hadn't bargained on the involvement of

Jesse Owens. The American swept all before him to win four titles: the 100m, 200m, long jump, and 4x100m relay. In the long jump, Owens beat the German Luz Long, and after the medal presentation the pair embraced and paraded around the stadium arm-in-arm — which wasn't exactly the showpiece that Hitler had envisaged!

## THE LONGEST MATCH EVER (2010)

The first-round match at Wimbledon in 2010 between John Isner and Nicholas Mahut ended up being the longest tennis match in the sport's history. The official start time was 6:13 pm on the 22nd June and didn't finish until Thursday 24th at 4:47 pm. Both players served over 100 aces with

## ARSENAL FC (2004)

Arsenal won the Premier League title without losing a single game, playing some of the most attractive and skillful football the world had ever seen. And to win the league at the stadium of the bitter local rival was just the icing on the cake."
